

GOLD DUST MINE SOLD.

A Gold Mine in Jefferson County Goes to Eastern Capitalists.

Confirmation of the Reported Consolidation of Two English Companies.

O. R. & N. Stock to be Listed in St. Louis—Major Budd Climbing—Situation of the Copper Market.

A mining sale which has been on the tapis for some time was consummated yesterday, it being the sale of the Gold Dust mine, situated in Indian gulch, Park mining district, near the town of St. Louis. The sale was made to a company of Hartford, Conn., capitalists through their representative, S. T. Green. The cash consideration was \$30,000 and a considerable amount of stock in the corporation which has made the purchase. The owners of this property have been Dr. M. W. Johnson and O. T. Hallen and they received their money yesterday. From all reports the Gold Dust is a valuable property. It is developed by a 300 foot tunnel, in which a number of drifts and crosscuts have been driven. The mine has paid for its development all through and the owners were realizing handsome incomes from the small way in which the property has been worked. Prof. Churchill recently examined the property for the purchasers and gave a very favorable report. He found many thousands of tons of gold bearing ore in the different overhead workings blocked out and ready for shipping. The purchasers have retained Mr. Allen as superintendent. Dr. Johnson has been very fortunate in his mining ventures during the year. Besides his share of the sale completed yesterday, he has a good prospect of becoming rich in a short time by his O. R. & N. possessions.

The Park Mining company of the St. Louis district is plodding away in the effort to find ore that will pay to treat. It is said they have a large quantity of ore extracted, but it has a high lead percentage, would be difficult to successfully concentrate and the best assay obtained has not run over fifty ounces in silver. The company is developing however, in search of something better which they hope to find in a short time.

An "expert" has returned from the Big Ox mine and rendered a report which has been published. As a whole, the report does not show the Big Ox to be the greatest bonanza the credulous people of the east have been led to believe. After more than one year's work 250 tons of ore have been extracted, it is said, but this is from all the company's claims.

A cablegram was received here yesterday from London by F. E. Chadbourne, confirming the report of the consolidation of the Carlsbad and Empire mining companies. About two weeks ago the latter company met and agreed to the consolidation, and yesterday the London company met and also agreed to the change. In a few days both companies will meet and effect the amalgamation, the result of which will be that a new company will be formed under a new name. This will make a very strong combination, and is brought about by the recent purchase of the Phil Shenson mines. One payment has been made on the purchase, amounting to \$7,500, and the balance, being \$12,500, will soon be forthcoming. One of the Empire mills will be shipped to the Phil Shenson, and in a short time there will be new life around that mine, as well as at Empire, as the amalgamation will have the effect of placing the Empire properties on a sound financial footing. The new corporation will have a capital of \$250,000.

Major Budd stock is climbing and now has reached the 35-cent notch.

The St. Louis syndicate, which recently acquired control of the West Granite mines, is gobbling up all the mining stock, and it is said that not more than \$50,000 shares are on the St. Louis market. The stock is firm at a little more than \$1.

A St. Louis broker a few days ago purchased all the stock of the O. R. & N. remaining in the treasury and will in a few days list it on the St. Louis Mining Exchange.

Copper is decidedly firmer than at any time since the collapse of the French combination, says Bradstreet. Bradstreet advises the first of the week stated that buyers of Lake Superior iron could not get the metal at 11c, per pound, while 11½c. was asked. The latter price, indeed, is said to have been determined on by the principle lake companies. On that basis sales for delivery next year have been made here to a considerable extent. Consumers are buying freely, and holders are not at all disturbed by the amount of copper on hand. At some points, in fact, an actual shortage is rumored. In the Boston stock market mining shares have been exceedingly active within the past week, and advances in the quotations have been the rule. Tamarack has touched 133. The price for this stock a month ago was 104. Calumet & Hecla during the same time has picked up from 214 to 231.

HELENA IRON WORKS ASSIGN.

An Old and Well Known Establishment Forced to the Wall.

The assignment of Benjamin H. Tatem, proprietor of the Helena Iron works, to E. W. Knight was filed in the office of the county clerk and recorder yesterday. The liabilities are as follows: First class, estate of W. F. Chadwick, \$4,000; Anna L. Tatem, \$1,000; second class, First National Bank of Helena, \$20,000 and interest; third class, Montana National Bank, \$4,000; fourth class, notes signed by Tatem and Ellis, owned by A. J. Davis, for \$13,350 and interest; notes signed by B. H. Tatem, owned by A. J. Davis, for \$14,745; fifth class, Catherine L. Ming, \$3,000; Manitoba Railroad company, about \$1,100; Montana Union Railroad company, about \$1,700. There are creditors for small amounts. The assets, consisting of the foundry property and valuable real estate, will inventory at about \$60,000. It is expected that this amount will cover all the liabilities. The news of Mr. Tatem's failure was learned of with general regret in business circles. Mr. Tatem came to this city eighteen years ago, going into the foundry business with A. J. Davis, of Butte. This partnership was afterward dissolved. C. F. Ellis, of this city, was at one time a partner of Mr. Tatem. The heavy indebtedness carried on at a high rate of interest made an assignment advisable.

The Mystic Shrines.

Algeria Temple F. and A. M., held a special meeting last night at the Masonic temple for the purpose of conferring degrees upon sixteen knights templar who had presented themselves. After this ceremony a banquet was held. A number of toasts were proposed to which several members responded. One of the toasts was "One of the Band," to which Rev. S. E. Snider, presiding elder, responded as follows:

I am one of the band
Who will faithfully stand
In the bonds of affection and love.
I have knocked at the door
Three Wretches and poor,
And there for admission I strove.

By the help of a friend
Who assistance did lend,
I succeeded an entrance to gain
I was received in the west
By a command from the east,
But not without feeling some pain.

Here my conscience was taught
With a moral quite wrought.
With sentiment holy and true.
And onward I traveled
To see it unraveled
What Hiram intended to do.

Very soon to the east
I made known my request
And light by command did attend.
When Led I perceived,
A new form revealed,
A master, a brother and friend.

Thus far I have stated
And simply related
What happened when I was made free.
But I have passed since then
And was raised up again
To a sublime and ancient degree.

And onward I marched
That I might be arched
And find out those treasures now lost.
When, behold! a bright flame
From the midst of which came
A voice which my ear did accost.

Thus far I have revealed
Yet wisely concealed
What the Free and Accepted well know.
I am one of the band
Who will faithfully stand
As a brother wherever I go.

Special Notice.

Rev. L. L. Wood, of Missoula, will give a temperance lecture at the Y. M. C. A. hall Granite block, this evening, beginning at 8 p. m. Mr. Wood is well known to the people of Helena as an able speaker and will present the latest phases of thought on this great subject. All are cordially invited. Seats free.

Owing to the crowded condition of The Bee Hive and the immense receipts of Holiday goods, the proprietors have been obliged to slaughter goods to make room for Holiday novelties and as per ad. today make some extraordinary low prices on children's cloaks, which must be sold to-day and to-morrow. These goods are all new and first-class and the extreme low prices are made so that they will go with a rush. When The Bee Hive makes any offer through the columns of the press the public are satisfied that their statements are bona fide. Call before the rush if you want bargains in children's cloaks.

Notice.
Meeting of the Sons of Veterans at their Hall this evening; very important. All members requested to be present.

MR. HOLLINS OBJECTS.

A Manitoba Shareholder Goes to Law Over the Great Northern Deal.

NEW YORK, Nov. 14.—Frank C. Hollins, a shareholder of the St. Paul, Minneapolis & Manitoba railway, has begun action in the New York supreme court to restrain the company from transferring to the Great Northern railway \$22,000,000 of assets and securities belonging to the Manitoba company, and leasing the railways of the Manitoba company to the Great Northern for ninety-nine years, as proposed in a circular issued in pursuance of a vote of the Manitoba shareholders a few weeks since. The complainant alleges he will be greatly injured by the proposed transfer.

For Missionary Work.
KANSAS CITY, Nov. 14.—The second day's session of the general missionary committee of the Methodist church was devoted to a discussion of the committee's finances. The report showed the receipts for the past year were \$1,130,137, \$129,556 more than the previous year. Among the appropriations made for the past year was one of \$1,125,000 for home and foreign missions. The total amount of appropriations was \$1,225,776. It was decided that 45 per cent. of the appropriations be for home and 55 per cent. for foreign missionary societies.
